I would add Ryan Bahr. I don't think the others on the sampling team need access as they aren't really involved anymore. Cheryl may have other thoughts.

Subject: I Requested a SharePoint Site for Central Sands

Hi Cheryl and Dean,

I requested a SharePoint site for Central Sands. This was Chuck's idea and I liked it, so I will get it set-up.

Also, I meant to do this last week and then I got busy doing other things and forgot. I apologize. I am trying to clear some other things off of my plate.

Finally, besides the two of us and Chuck. Do you know of anyone else who should have access. Should everyone that did the sampling have access?

Have a good day,
Jenny
